

Voie antérieure de Hueter

Comment se passer d'une Table orthopédique ?

Dr Nicolas Bonin - Dr P.Reynaud - Dr D.Dejour
Clinique de la Sauvegarde - Clinique Émilie de Vialar
LYON

Pourquoi ?

Simplicité

Décubitus dorsal - Table Standart

- Installation simple
- Pas de table orthopédique

- *Table spéciale !*
- *Risque Manipulation*

Pourquoi ?

Fiabilité

Testing

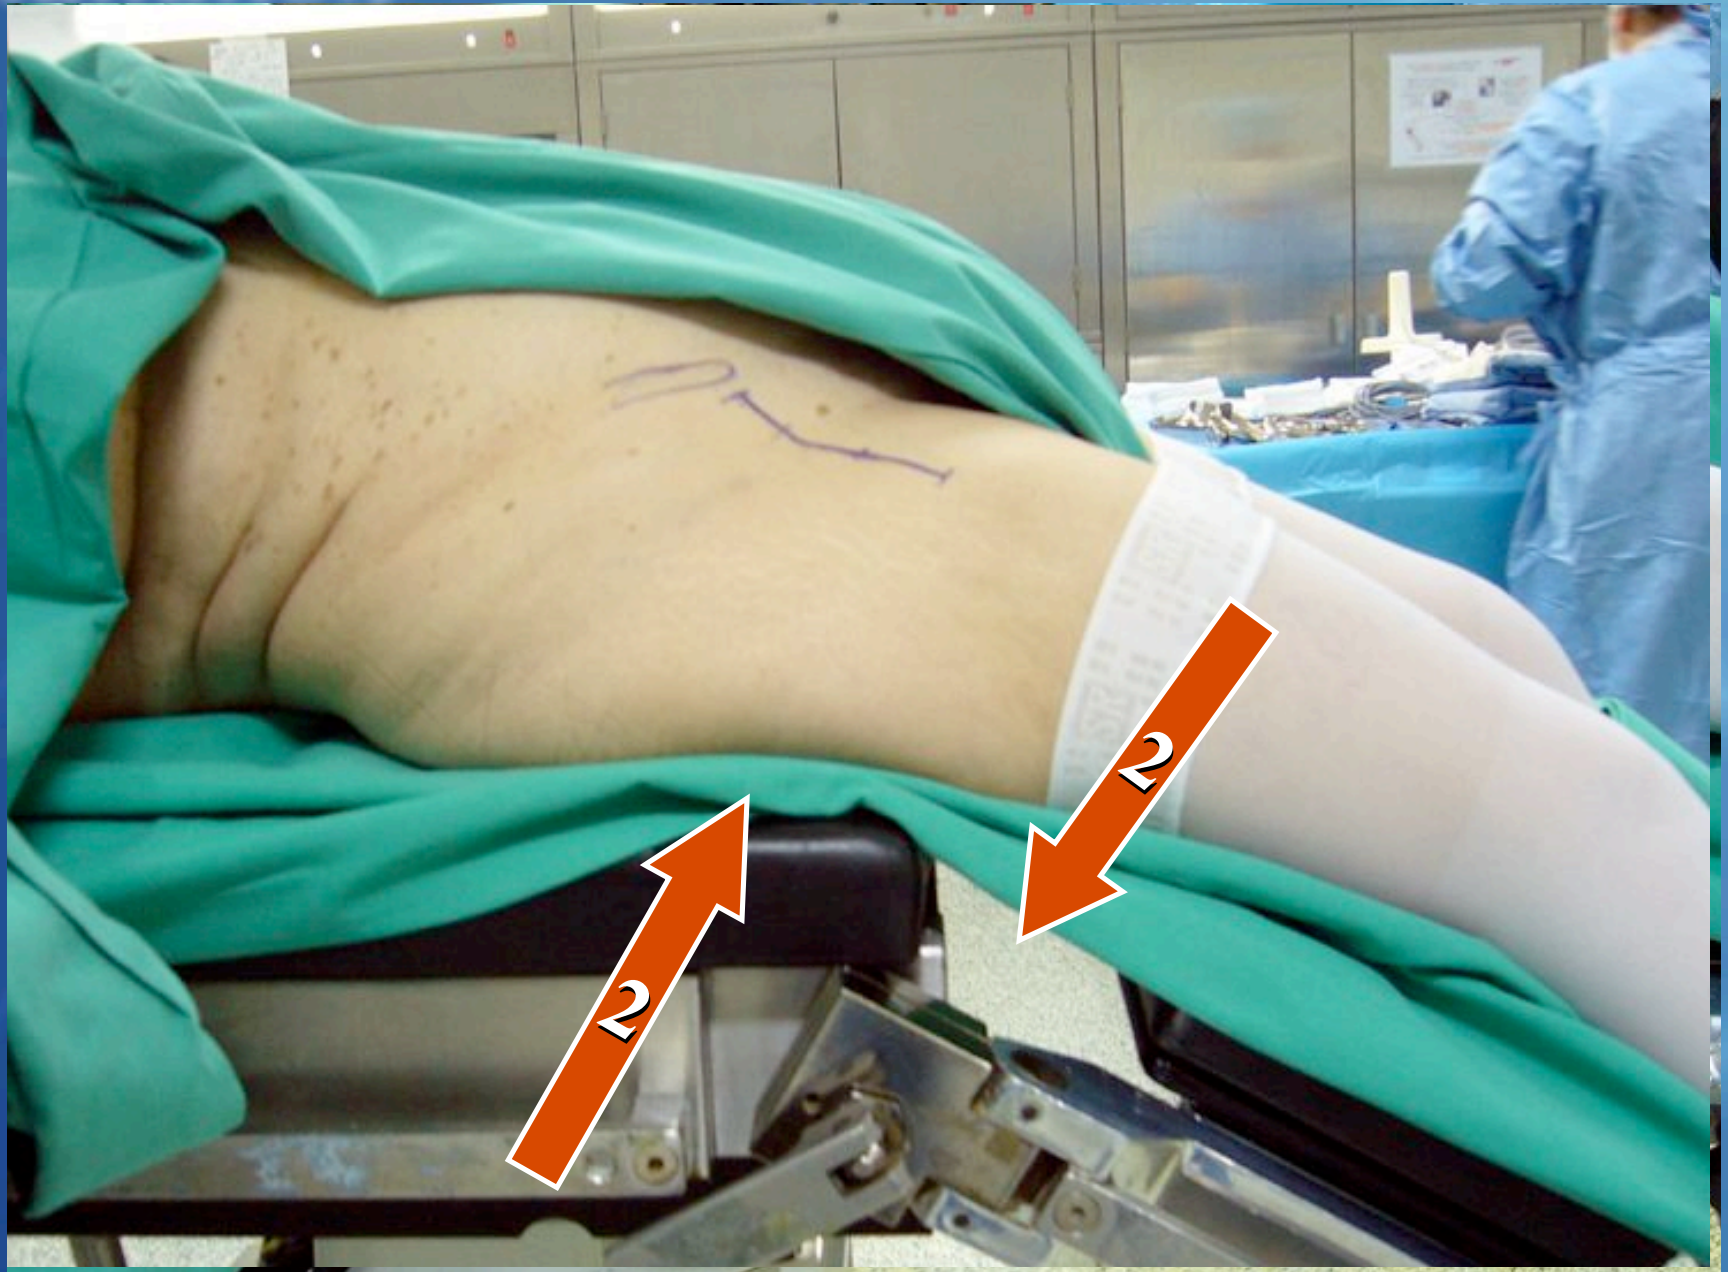

- Bassin bien positionné
- Mb inférieur dans champage
- Accès mb inf contro-latéral (longueur)
